Letter from the President

Well . . . this hasn't been the typical start to a curling season at OSCC. I think we all yearn for the days of normalcy where the biggest threat to our club was a deflated bubble.

We hope each and every one of you, and your loved ones, are well and healthy. Even though we're not curling, the board has been meeting monthly with planning (and replanning) for what curling will look like when we can get back on the ice. As we've said before, the safety of our curlers is our top priority and we have been developing systems to comply with, and exceed, federal and state mandates to keep everyone safe. Unfortunately, we really don't know when that will be. We are hoping to be on the ice again in Spring 2021, but we will keep you informed. However, you don't have to go all winter without seeing your curling friends - we've been having zoomstacking every 2-3 weeks and it's a great time to catch up with friends and have a drink/ snack (online) together. If you're not a member of the Facebook Ocean State Curlers group, I urge you to sign up so that you can be informed of when we'll be having group "events". We've even done some online curling which has been fun.

We are excited about bringing this newsletter back and hope to put it out a few times a year. Please feel free to send along suggestions of what you would like to see included. We have added a new "On a Personal Note" section, where members can share things with their fellow curlers - please feel free to forward anything you want included to newsletter@oceanstatecurling.org

I look forward to us all being together on the ice again as soon as we can. Thanks for being a part of our club and for the limitless enthusiasm you all bring - here's to great times ahead (at some point)!

Dave (president@oceanstatecurling.org)

Our Mission

Ocean State Curling Club is dedicated to the enjoyment, fellowship, and promotion of curling in Rhode Island.

We believe in building a strong community through the sport of curling by providing a welcoming environment for athletes of all ages and skill levels, creating the opportunity to improve skills and have fun.

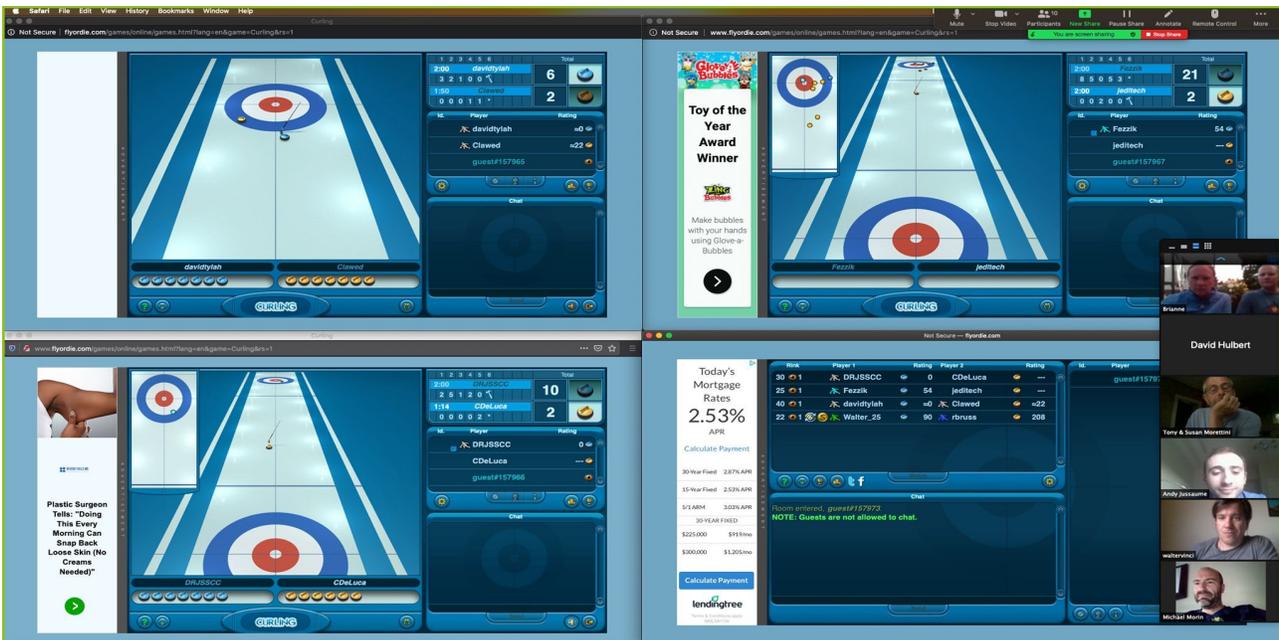

Zoomstacking!

For those of you who have joined us at one of our zoomstacking events - it was good to see you!

If you haven't joined us yet, and would like to, keep an eye on the Ocean State Curlers FB page for upcoming dates. If you aren't a member of that page, you can request to be added at : : <https://www.facebook.com/groups/oscurlers>
It's a great way to keep in touch with all our curling friends.

Hopefully soon, we will be having another virtual curling match during zoomstacking as well.

On a Personal Note

We would like to send a shout out to Jamie Kent and her husband Jeff. They are expecting their first future curler.

Congratulations and Best Wishes!

OSCC Gear

Check out the wide selection of T-shirts, hoodies, mugs, glasses, face masks and more, all with our OSCC logo on them.
